

Olderfleet Primary School

SCHOOL UPDATE

23rd March 2020

Dear Parents/Guardians,

This is an update on Olderfleet Primary School's current position. On Thursday 19th March, I contacted you regarding 'Supporting Children of Key Workers in Primary School.' We asked for those families to make contact with the school and check if they met the criteria.

Since these circumstances have changed. Upon completion of a detailed risk assessment and consultation with the Chair of the Board of Governors, we are unable to guarantee the safety of staff and children in the current climate. Therefore, **Olderfleet P.S. will be closed until further guidance from Government is published.**

The health and safety of the entire Olderfleet community is our ultimate priority and we apologise for any disruption or distress caused.

I wish to take this opportunity to thank our dedicated team of Governors, staff who are working hard maintaining their remote learning programmes and all families who are currently educating their children at home during this stressful time.

I would particularly like to thank our pupils who have shown great resilience and understanding. These are unprecedented times, however our Olderfleet community will get through it together.

Olderfleet pupils remember, ***'The more you read, the more things you will know. The more that you learn, the more places you will go.'***

Take care and stay safe.

Yours in Education,

Ben Harvey
Senior Teacher
