

Parent Survey 2020

Dear Parents/Guardians,

I wanted to write to thank all of you who took the time to fill in our recent Parent Questionnaire; your opinions and feedback are extremely important to us. We have been analysing the results and identifying what we can learn from them and how we can use them to further the development of Olderfleet PS. Our school needs to be constantly looking at itself and reviewing its procedures and your opinions form a fundamental part of that process.

The responses from the parent survey are also available on the school website. There were plenty of positives to be taken from the report and this highlights a number of strengths that you feel the school has. The school must, however, learn and listen to areas that you feel could be improved upon and the staff and I with the Board of Governors will be addressing that in the coming months.

I would also like to commend all our parents/guardians, who continue to follow our precautionary measures to mitigate the risk to our school community in the current pandemic. We continue to follow the guidance that has been put in place by the Public Health Authority and the Education Authority. The current environment and restrictions are consistently evolving, and I will update parents/guardians when any changes occur.

Finally, I would always welcome any feedback about any aspect of school life. I am always very keen to hear from parents with suggestions for improvement in the way we are operating. Please feel free to contact me at school if you feel you have something to contribute.

Yours in Education,

Mr B Harvey
Acting Principal
Olderfleet Primary School

1. My child is happy at school
