

# Olderfleet Primary School

Welcome Back to all our Olderfleet Community,

I would like to welcome our new families, as they embark on their Olderfleet journey and how great it is to see all our children returning, smiling and excited to get started.

You have demonstrated incredible commitment, resilience and support to our pupils and have overcome significant challenges created by the pandemic. I recognise that we would all like to return to normal, however, it is going to take longer than we would like. Therefore, I must ask you to continue following our COVID mitigation strategies in and around our school. Please be mindful of social distancing at the gates, wear a mask whilst being on school grounds and hand sanitise regularly.

I fully recognise there will be challenges ahead for our Olderfleet community. I also know that together, we will face those challenges and support our pupils the best we can, collectively and individually.

As we look to the year ahead, staff have been working hard, to continue our positive learning environment and create more learning experiences that are challenging and engaging for all. Our playground murals and outdoor learning will encourage our Positive Mental Health strategies and inspire a happy learning culture.

I wish all your families well for the time ahead and I am looking forward to working with all our pupils this year and to see them flourish in our Olderfleet community.

Yours in Education,

Mr B Harvey
